School Board - Live

Dear Palm Beach County Residents,

Established in 1969, the Palm Beach County Water Utilities Department is the largest water utility provider in Palm Beach County and serves over 635,000 residents with high-quality drinking water, wastewater collection and reclaimed water services.

Our team of over 600 professionals work 24 hours a day, seven days a week, and 365 days a year to ensure there is no interruption in the critical services we provide: high-quality drinking water, wastewater collection and reclaimed water services. Our map on the following page illustrates the 1,300 square-mile service area we cover. If you are uncertain of the utility that serves your property address, you can visit our website at pbcwater.com and use the “Find Your Provider” tool right on the homepage.

Palm Beach County recently broke ground on an exciting new project known as Green Cay Phase II, which will bring an educational center, advanced purification facility and new public park space to residents in late 2026. The Reclaimed Education & Center for Advanced Purification (RECAP) is being built on our utility property in western Boynton Beach, and the project will also include an extension of parkland to the current Green Cay Wetlands site. Designed to be the first of its kind in the state of Florida, RECAP will offer immersive educational space to students and visitors about the importance of stewarding our water resources, while implementing the most innovative water reuse technology to recharge our aquifer.

Coming up in May, we have Drinking Water Week and Water Reuse Week, two annual awareness events for residents to learn more about the important work we do for you. Be sure to follow @PBCWUD on Facebook and Instagram for updates. Our organization is growing and continuing to achieve great things for the customers we serve. As the only ISO 55001-certified water utility in North America, we are proud to be recognized as one of the best in the state.

For information on our services, Water Quality Report, strategic initiatives and more, visit pbcwater.com.

Opening
2026

RECAP

RECLAMATION EDUCATION & CENTER FOR ADVANCED PURIFICATION

Green Cay Phase II

Palm Beach County Water Utilities Department commissioned an innovative water reuse project to support the region's growing need for clean, safe and sustainable water supplies. Green Cay Phase II and the Reclamation Education & Center for Advanced Purification (RECAP) will open in late 2026. The project will use state-of-the-art treatment technology to purify reclaimed water and replenish groundwater supplies without additional withdrawals from the underground aquifer.

Scan here to learn more!

Reclamation Education & Center for Advanced Purification (RECAP)

- Featuring educational exhibits and interactive immersive experiences
- State-of-the-art water reuse technology
- Visitors of all ages will learn about the importance of stewarding our water resources
- First of its kind in Florida

Green Cay Park

- Green Cay Park will feature walking trails and passive recreation opportunities
- 63 acres of paths, scenic vistas and nature to enjoy with ample parking
- Located near Green Cay Wetlands & Nature Center in Boynton Beach

VISIT PBCWATER.COM

@pbcwud

JOIN PBCWUD

WE ARE HIRING! START YOUR CAREER HERE

At Palm Beach County Water Utilities Department (PBCWUD) you can look forward to a satisfying career making a difference and providing essential services to our community.

JOIN AN AWARD-WINNING UTILITY

Career Paths Include:

- Engineering
- Finance & Administration
- Laboratory Services
- Health & Safety
- Asset Management
- Plant Operations
- Maintenance
- Information Technology
- Customer Service
- and more!

Internship opportunities, for college students and those re-entering the workforce, are also available. Search for "FRS-Tech" positions at pbcgov.jobs

BENEFITS INCLUDE:

- Comprehensive medical, dental & vision plans
- Generous paid time off and paid holidays
- Competitive retirement pension plans with Florida Retirement System and deferred compensation options
- On the job training opportunities
- Tuition reimbursement if applicable

REDUCE YOUR STUDENT DEBT

Did you know that your qualifying student loans may be forgiven as a public servant? Your time worked as a public servant can assist in having your student loans forgiven through the Public Servant Loan Forgiveness (PSLF) Program.

The PSLF Program forgives the remaining balance on your Direct Loans after you have made 120 qualifying monthly payments under a qualifying repayment plan while working full-time for a qualifying employer, such as PBCWUD.

DON'T WAIT, APPLY TODAY

pbcgov.jobs

@pbcwud

MEET THE UNFLUSHABLES

Toilet paper breaks down as it travels through the wastewater system while other items remain intact and cause serious issues, from broken equipment to wastewater back-ups.

Do your part by disposing of these household items where they belong- in the trash!

TOSS OUT FOGS

Fat, oil, and grease (FOG) can cause blockages in your sewer pipes. To avoid calling a plumber, be sure to dispose of food properly.

Protect Your Pipes

- 1- Put grease into an empty container.
- 2- Cover the grease and let it cool.
- 3- Bring the used residential cooking oil to any of the Solid Waste Authority's Recycling Centers.

Scan to find a SWA Recycling Center near you.

To protect your pipes,
ONLY FLUSH TOILET PAPER.

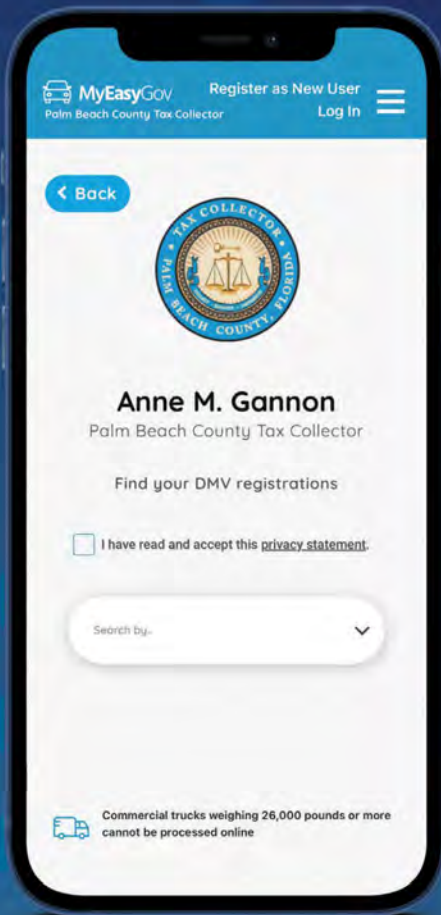

Available 24/7 | Water Emergency Hotline:
561-740-4600, OPTION 1

MESSAGE

From the Editor

Dear Palm Beach County Residents,

Please enjoy a second word search puzzle included in the May 2024 edition of the PBC TV Channel 20 Program Guide. You may have noticed an editor's error that occurred with last month's word search puzzle. Some editions of the April 2024 Program Guide included a mismatch between the search terms and the puzzle answer key. We apologize and have corrected the error and have included a double puzzle in the May Program Guide. Each month PBC TV Channel 20 enjoys and is dedicated to providing our program guide subscribers, along with all county residents and visitors information about Palm Beach County programs and services.
