Fiscal Year (FY) 2018 Audit Plan

The risk assessment process for Fiscal Year (FY) 2018 was conducted using a combination of several methods of research and information gathering in order to create an overview of the risks for entities within the Office of Inspector General’s (OIG) jurisdiction. The risk assessment was used to develop the FY 2018 annual audit plan by global risk area. The FY 2018 annual audit plan includes eight planned global areas / activity audits.
